Improvement product details and customer benefits

- Push button color is changed from black to grey for all fittings (Polyamide PA 6 6 material is maintained)
- Packaging is changed from standard polyethylene bag to antistatic polyethylene bag for all fittings
- Vacuum packaging is removed
- Packaging quantity is changed from 10 pcs / bag to 100 pcs / bag for fittings D4, D6, D8
- Packaging quantity is maintained at 10 pcs / bag for fittings D10 and D12
- All these changes have no impact on the technical specifications and performances
- This design change is part of a process improvement that will reduce production time
